

## **Deloitte Company Profile**

Deloitte is one of the largest professional services organizations in the world, providing audit, consulting, tax, risk advisory, and financial advisory services to businesses and governments globally.

### **History**

Deloitte was founded in 1845 by William Welch Deloitte in London. He opened his first office near the London Stock Exchange and became known for improving accounting transparency and corporate reporting standards.

Over time, the firm merged with several other organizations across the world and became Deloitte Touche Tohmatsu Limited (DTTL), a global network of independent member firms operating under the Deloitte brand.

Today, Deloitte operates in more than 150 countries and territories and serves many of the Fortune Global 500 companies.
